

Wellough Charton Wassachuserts and

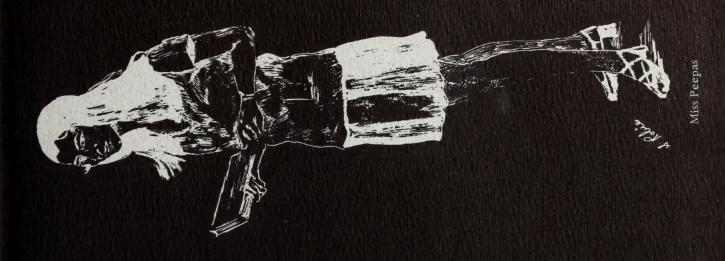

Mr. Egsegian has been more than a teacher to the Senior Class. As the dedicated coach of the football team, he meant a lot to both the players and the spectators. Most of all, Mr. Egsegian will be remembered for the way he unselfishly gave of his time and effort to advise the Senior Class. He was faced with the same apathy that marks most attempts at class unity, but still he guided our class through the years, aided by the few interested members, so that we will now receive the traditional benefits of all senior classes, opportunities that we don't really deserve. For these reasons, we, the Class of 1971, dedicate the 1971 Compass to Mr. Richard Egsegian.
